## A Brief Report

Equal opportunity cell and Department of Zoology, jointly organized blood group detection and sickle cell anemia awareness camp for the small students of Muslim community studying in GNA Urdu school, Dist- Murtizapur. This event was taken in collaboration with the team of Sub-District Government Hospital Murtizapur on dated...11 August 2018

The event was started by 19.00 am on ...11 August 2018 and inaugurated at the hands of Hon. President Dr. R. G. Rathod Sir and Principal of the school Mrs. FarhatUllah Khan. Along with the teaching faculty of Dr. R. G. Rathod Arts and Science College, there were few persons from other schools and reputed firms.

This event was conducted by the students of B. Sc. III. The organizing faculty and medical officers were given speeches on importance of blood group detection and regarding sickle cell anemia – reasons, prevention and medication. In total 48 students and teachers were registered for this camp.

During and after the camp, the organizers were taken feedback from the school teachers. The detail report is with coordinator of this event. But the feedback indicates that, small children need counseling and such boost up events to promote the awareness.
