Best Practice No.-1

Title of Best Practice: Sickle cell Anemia: Awareness, Counseling and Detection

Objectives of the practice: To make the people aware about Sickle Cell Anemia.

The Context:

Sickle cell is a group of inherited red blood cell disorders that affects hemoglobin, the protein that

carries oxygen through the body. Normally, red blood cells are disc shaped and flexible to move

easily through the blood vessels. If you have sickle cell disorders, your red blood cells are crescent

or "sickle" shaped. These cells do not bend and move easily and can block blood flow to the rest of

your body. The blocked blood flow through the body can lead to serious problems, including stroke,

eye problems, infections and episodes of pain, called pain crises. Having sickle cell disorder also

raises your risk for severe illness. Even though, it is a serious disorder, the common peoples seem to

be unaware about this and the complications.

The Practice:

Our College is situated in rural area surrounded by many small villages. Considering the above

facts, it was decided to plan an activity, to make the villagers, especially younger generation aware

about disorder. Sickle cell Anemia: Awareness, Counseling and Detection organized routinely by

Department of Zoology and Equal opportunity cell in collaboration Laxmibai Deshmukh, Sub-

divisional government hospital Murtizapur, District- Akola.

Evidence of Success:

Every year the activity was organized by Department of Zoology and Equal opportunity cell in

collaboration with Laxmibai Deshmukh Sub-divisional rural hospital Murtizapur, District- Akola in

the campus of our college and nearby villages. During, the event formal counseling was done, so

that the students could understand the severity of the disorder and need of its awareness.

The sickle cell anemia and blood group detection camp was held on dated 18 August 2017 in

Gulam Nabi Azad Urdu School Murtizapur. In this camp 48 students were participated. Like every

year the sickle cell anemia and blood group detection camp was held on dated 25 Feb. 2019 at

Shivan. There were 200 villagers were registered for this camp. The number of students in the registered villagers appeared to be high. The sickle cell anemia and blood group detection camp was held on dated 11 February 2020 for the college students. The total 137 students were registered for this camp. The sickle cell anemia and blood group detection camp was held on dated 11 December 2021 for the college campus students. The total 164 students were participated in this camp.

Problems Encountered and Resources Required

The students admitted in the college are coming from the rural areas in and around the Murtizapur. In the last five years, the proportion of girl students appeared higher among the admitted students. As the background is belongs to village area the students have been a little to understand the detail about the topic. When the camp was held in the village area it was found that the student's communication with the villagers appeared less. Initially they were hesitating a little to explain the topic with the villagers. When it was held in the college the girl students heisted to interact and to know about the disorder.

Session	Activity Organized

SICKLE CELL ANEMIA AWARENESS CAMP

ORGANIZED BY

EQUAL OPPORTUNITY CELL AND DEPARTMENT OF ZOOLOGY

SHRI DR. R. G. RATHOD ARTS AND SCIENCE COLLEGE, MURTIZAPUR

11th December 2021

(Academic year 2021-22)

A Brief Report

On 11th December 2021 Equal opportunity cell and Department of Zoology, jointly organized sickle cell anemia awareness camp for newly entered students in college (B.Sc I and B.A. I). This event was taken with the team of Laxmibai Deshmukh Sub-District Government Hospital, Murtizapur Dist- Akola

The event was started by 12:30pm on 11th December 2021 and inaugurated at the hands of Dr. A. P. Charjan, Principal, Shri Dr. R. G. Rathod Arts and Science College, Murtizapur and President of Programme. Along with there were few persons from other departments of college.

This event was conducted by Abhishekh Adhau, student of B. Sc. III., Smt Namrata Khadase (Lab Technician Sickle Cell), Smt. Aparna Tidke(Lab Tech. ICTC), Mr. Ninad Bulbule (Counsellor ICTC) aware the students regarding Sickle Cell Anemia — Reasons, Prevention and Medication. In total **164** Students were registered for this camp.

During and after the camp, the organizers were taken feedback from the students. The detail report is with coordinator of this event. But the feedback indicates that, Students need such boost up events to promote the awareness.

BLOOD GROUP DETECTION AND

SICKLE CELL ANEMIA AWARENESS CAMP

ORGANIZED BY

EQUAL OPPORTUNITY CELL AND DEPARTMENT OF ZOOLOGY

SHRI DR. R. G. RATHOD ARTS AND SCIENCE COLLEGE, MURTIZAPUR

16th January 2020

(Academic year 2019-2020)

A Brief Report

On 16th January 2020 equal opportunity cell and Department of Zoology, jointly organized blood group detection and sickle cell anemia awareness camp for the rural population of a small village, Brahmi Dist- Murtizapur. This event was taken in collaboration with the team of Laxmibai Deshmukh Sub-District Government Hospital, Murtizapur Dist-Akola.

The event was started by 11:00 am on 16th January 2020 and inaugurated at the hands of Shri D. S. Ghogare, Principal, Shri Babanrao Chaudhari Junior College, Brahmi Tq. Murtizapur and President of Programme. Along with there were few faculty of schools.

This event was conducted by the students of B. Sc. III. The organizing faculty and Lab Technician were given speeches on importance of blood group detection and regarding "Sickle Cell Anemia – Reasons, Prevention and Medication". In total 137 Students were registered for this camp.

During and after the camp, the organizers were taken feedback from the school teachers and students. The detail report is with coordinator of this event. But the feedback indicates that, villagers need such boost up events to promote the awareness.

AND SICKLE CELL ANEMIA AWARENESS CAMP

ORGANIZED BY

EQUAL OPPORTUNITY CELL AND DEPARTMENT OF ZOOLOGY

SHRI DR. R. G. RATHOD ARTS AND SCIENCE COLLEGE, MURTIZAPUR

11th February 2020

(Academic year 2019-2020)

A Brief Report

On 11th February 2020 Equal opportunity cell and Department of Zoology, jointly organized blood group detection and sickle cell anemia awareness camp for newly entered students in college (B.Sc I and B.A. I). This event was taken in collaboration with the team of Nagpure Clinical Lab and Laxmibai Deshmukh Sub-District Government Hospitál, Murtízapur Dist- Akola respectively.

The event was started by 12:30pm on 11th February 2020 and inaugurated at the hands of Dr. A. P. Charjan, Principal, Shri Dr. R. G. Rathod Arts and Science College, Murtizapur and President of Programme. Along with there were few persons from other departments of college.

This event was conducted by Bhushan Thakare, student of B. Sc. III. The organizing faculty, Mr. Pravin Nagpure and Lab Technician were given speeches on importance of Blood group detection and regarding Sickle Cell Anemia — Reasons, Prevention and Medication. In total 137 Students were registered for this camp.

During and after the camp, the organizers were taken feedback from the villagers. The detail report is with coordinator of this event. But the feedback indicates that, villagers need such boost up events to promote the awareness.

ORGANIZED BY

EQUAL OPPORTUNITY CELL AND DEPARTMENT OF ZOOLOGY
SHRI DR. R. G. RATHOD ARTS AND SCIENCE COLLEGE, MURTIZAPUR

Date: 11 August 2017

(Academic year 2017- 18)

A Brief Report

This event was conducted by the students of B. Sc. III. The organizing faculty and medical officers were given speeches on importance of blood group detection and regarding sickle cell anemia – reasons, prevention and medication. In total 48 students and teachers were registered for this camp.

During and after the camp, the organizers were taken feedback from the school teachers.

The detail report is with coordinator of this event. But the feedback indicates that, small children need counseling and such boost up events to promote the awareness.

Best Practice No.2

Title of the Practice: Practices for Real Life Education (Gramgeeta Jiwan Vikas Pariksha)

Objectives of the Practice:

- 1. To develop the students' personality in its physical, mental, emotional and spiritual aspects.
- 2. To inculcate good manners, the responsibilities and cooperative citizenship.
- 3. To develop respect for the dignity of individual and society.
- 4. To inculcate a spirit of patriotism and national integration.
- 5. To develop a democratic way of thinking and living.

The context

Gramgeeta is an epic on Indian village life. It is a book of poetry authored by Rashtrasant Tukdoji Maharaj. It is an ideal reference for developing community. The God cannot be found in temples, Churches and Mosques as he is everywhere. The best devotion to God is human upliftment. People have become weak, ignorant, dome due to believe in blind faith in God and religion.

This work of village reformation can be started by the social workers and villagers themselves. It is praiseworthy that such programmes are started in Maharashtra and Madhya Pradesh by Rashtrasant Tukdoji. His work is giving inspiration to villagers to organize, to unit and work unitedly for their villages. The main purpose behind taking the activity on the Gramgeeta was to know the students about the philosophy of life which is included in the Gramgeeta. It is said that today's education is insufficient in all manners so the philosophy of Gramgeeta will teach the students the real meaning of education and help them to develop the values responsibilities toward family, society and nation. This activity will help to develop students' physical, social, intellectual, psychological and spiritual development.

The practice:

In this activity we have arranged different oriented programme and conducted gram vikas exam to inculcate moral ethics and for overall development of the students. It teaches the real meaning of

life. Every year two guest lectures were organized, one workshop for the student was carried out and at last the exam was taken. In the exam not only all the students of the college but also teaching and non-teaching staff were participate with great enthusiasm.

Evidence of Success:

Every year two guest lectures were organized, one workshop for the student was carried out and at last the exam was taken.

Problems Encountered:

As this activity inculcates spiritual as well as moral values, students do not pay much attention to this activity. If the activity is carried out outside, the students do not respond to it much because of the large number of female students enrolled in the college. If the program is held during this activity, the students will not get the desired response for that program.
